

Indian Head Canoes

Outside Manager

JOB SUMMARY:

A hands-on manager will lead and work with fellow team members to execute daily tasks and manage work flow as required. Customer / employee communication and safety are essential to the success of this position.

ESSENTIAL FUNCTIONS:

- Ensure proper setup of boats to prepare for customer demands, organize transportation, and assist customers on and off river.
- Manage and work alongside a team of staff to execute daily tasks and / or projects. Utilize individual strengths of team members and their cohesive abilities to get the job done accurately.
- General campground upkeep / grounds maintenance
- Boat maintenance / boat cleaning
- One that possesses additional skills (i.e. building, plumbing, mechanical, etc.) is a strong plus.

ADDITIONAL RESPONSIBILITIES

- Transport customers in vans to various river accesses.
- Lift and move boats to and from the river accesses, on and off trailers. Training is provided for proper lifting.
- Vehicle / trailer maintenance

JOB QUALIFICATIONS

- Leadership and training skills are essential.
- Present a positive attitude and professionalism at all times.
- Athletic ability and endurance to lift boats throughout the course of the day.
- Communication, organization, and public speaking skills
- Ability to function in a fast-paced environment
- Available to work flexible hours (i.e. mornings or later nights, weekends and holidays)
- Must be at least 18 years of age

BENEFITS

- Work in the great outdoors!
- Full time, 6 month seasonal position. Some flexibility to work around school restrictions.
- Team environment and family oriented culture – we have the best team!
- Paid overtime at time and a half hourly rate
- Bonus programs
- Fully paid workday including meal times and breaks
- Compensation and pay raises above the industry standards
- Skills training for all job requirements
- Free employee river trips for you and a boat load of friends
